General Meeting

The meeting was called to Order by Kevin Terry at 7:50am. Kevin asked that the Anti-Trust Statement be reviewed and the minutes for the December meeting were approved.

Hessam presented plaques to the outgoing council chairman, Mustafa Elias and committee chairs Art Nettle. And Bill McNamara. He thanked them for their service and hard work.

Sean reported that the current balance is $2242.00.

Kevin announced that the committees will be meeting separately this year instead of holding their meeting every other month at the group meetings.

Kevin and Hessam talked about how important it is for council to focus on the paving specially with the tools that are available through NRMCA.

Hessam talked about the upcoming CPA training for engineers and another opportunity to partner with WSSI on an event about green concrete.

Education Committee & Golf - Marc Granahan

Marc reviewed the plans for continuing the ACI tests and supporting the efforts of the other committees. The golf outing will be held at Algonkian Golf Course in Sterling, Virginia on Thursday, April 23, 2009. The topic for the seminar is Paving 101. We will be looking for commitments to golf team sponsorships early this year. An E-Mail will be sent out to all members regarding their commitments in the next few days.

Tilt-Up: - John Carter

Johns group is looking for two locations to hold an open house for a T-it-Up demo. One to be held in the spring and one later in the year.

Residential: - Dave Snider

Pervious: - Pete Campher

The meetings for 2009 will continue to be held at:
Four Points by Sheraton Manassas Battlefield
10800 Vandor Lane, Manassas, VA 20109

Next meeting will be February 12, 2009

Respectfully submitted,

Sean Murnane - Secretary/Treasurer
