Candidates must have a minimum of two years experience in the concrete industry and be nominated by their company's general manager. Up to 15 applicants will be selected to participate in this unique program.

Why participate in the Best of the Best Leadership Program?

- ▶ Develop a diverse business network
- ▶ Meet legislative officials and become an advocate for your industry
- ▶ Prepare for challenges facing the concrete industry

There is a required time commitment from both the participant and their employer. Please take a moment to review the calendar and ensure that it is compatible with your schedule. Attendance at each session—from start to finish—is mandatory!

If you are interested in expanding your leadership potential, please submit the following materials by Friday, February 23, 2018.

- ▶ Completed application
- ▶ Letter of recommendation from your sponsor/employer
